Vision

The vision of A²MEND is to become the nation’s leading organization that fosters African American male success in community colleges. To achieve our vision, we strive to:

- Hold the community college system accountable for the success of African American males.
- Provide our expertise to community colleges to build, support, and sustain institutional capacity that effectively addresses the needs of African American males.
- Support African American men in their career development, advancement, and success.
- Promote research and discovery in the area of African American male academic achievement in community colleges.
- Serve as a network for African American educators.

Purpose

1. Provide a forum for Black administrators, faculty staff, and students of the A²MEND organization to discuss their concerns related to academic achievement, mentoring, support, issues, and policies affecting African American and historically underrepresented groups.
2. Provide a system of support, networking, mentoring, and professional growth and development system for the members of the A²MEND organization.
3. Provide policy recommendations on curriculum, instruction, and programs for African American students and the recruitment of African American administrators, faculty, and staff.
4. Provide financial assistance and scholarship money for African American students.
5. Provide an avenue for communicating with local, state, and national organizations regarding educational issues, policies, and practices.
6. Provide advocacy to members who request support and assistance in their professional roles.

The A²MEND Student Charter

Under the auspice and affiliation of A²MEND, the Student Charter of A²MEND is a student support structure that seeks to establish an affirming environment where African American male students and other men of color are able to thrive. The Student Charter of A²MEND is further designed to create competent life skills, reaffirm the value of the African/African American cultural traditions, create awareness around social justice issues, build grit,

promote professionalism, and foster a culture of positive peer pressure. The Student Charter of A2MEND will provide educational, cultural, social, and intellectual programs that promote positivity and brotherhood among its members.

Institutional Benefits of a Student Charter:
